

Estonia. A Foodies Paradise

Mai 2025

FOOD

CULTURE

NATURE

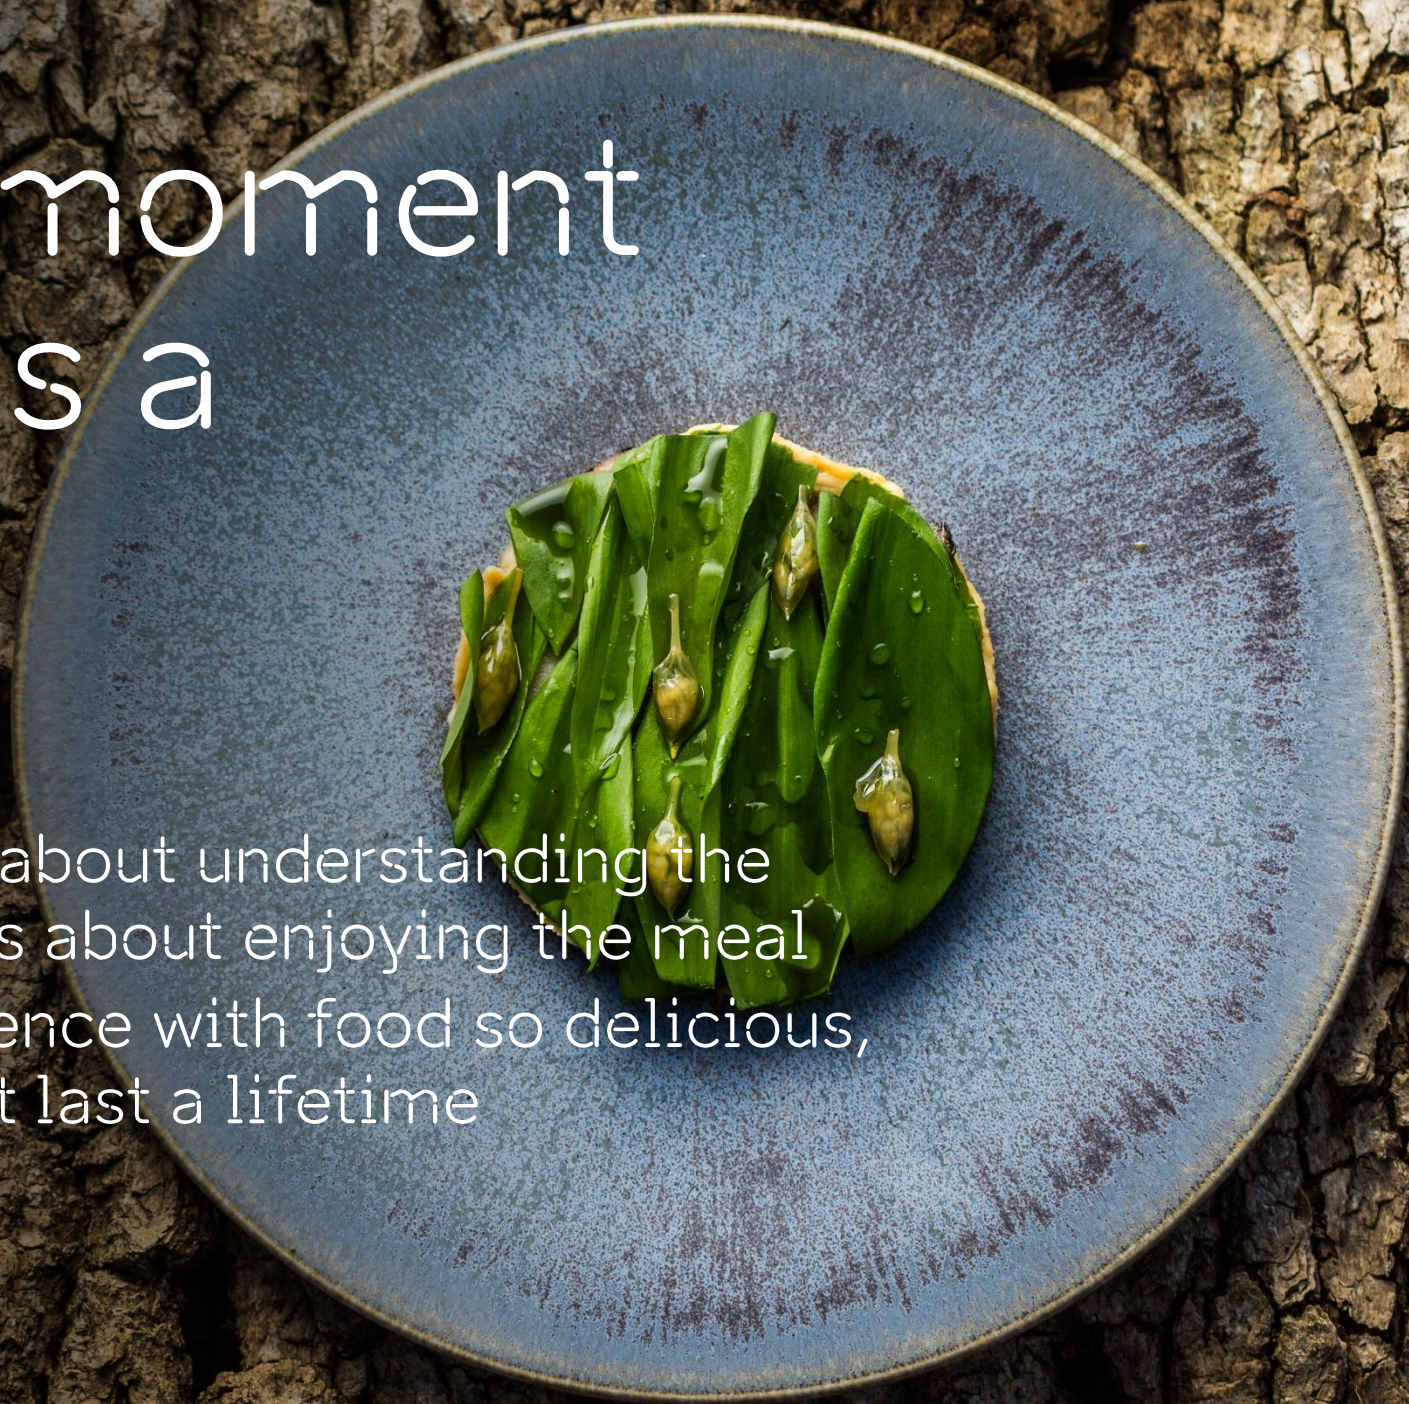

7,000-year history in one bite

- + the essence of Estonia
- + fancy or simple
- + honorable spot on the table
- + most of the restaurants offer their take on custom-made breads

Taste a moment that lasts a lifetime

- + dining is as much about understanding the ingredients, as it is about enjoying the meal
- + fine dining experience with food so delicious, the memories of it last a lifetime
- + Chef's table art

Chefs as fresh as the ingredients

- + connecting Estonian own food to the rest of the world
- + cherishing old traditions, but giving them a modern twist
- + kitchen pantry opens a door to the wild
- + regional delicacies — keep an open mind

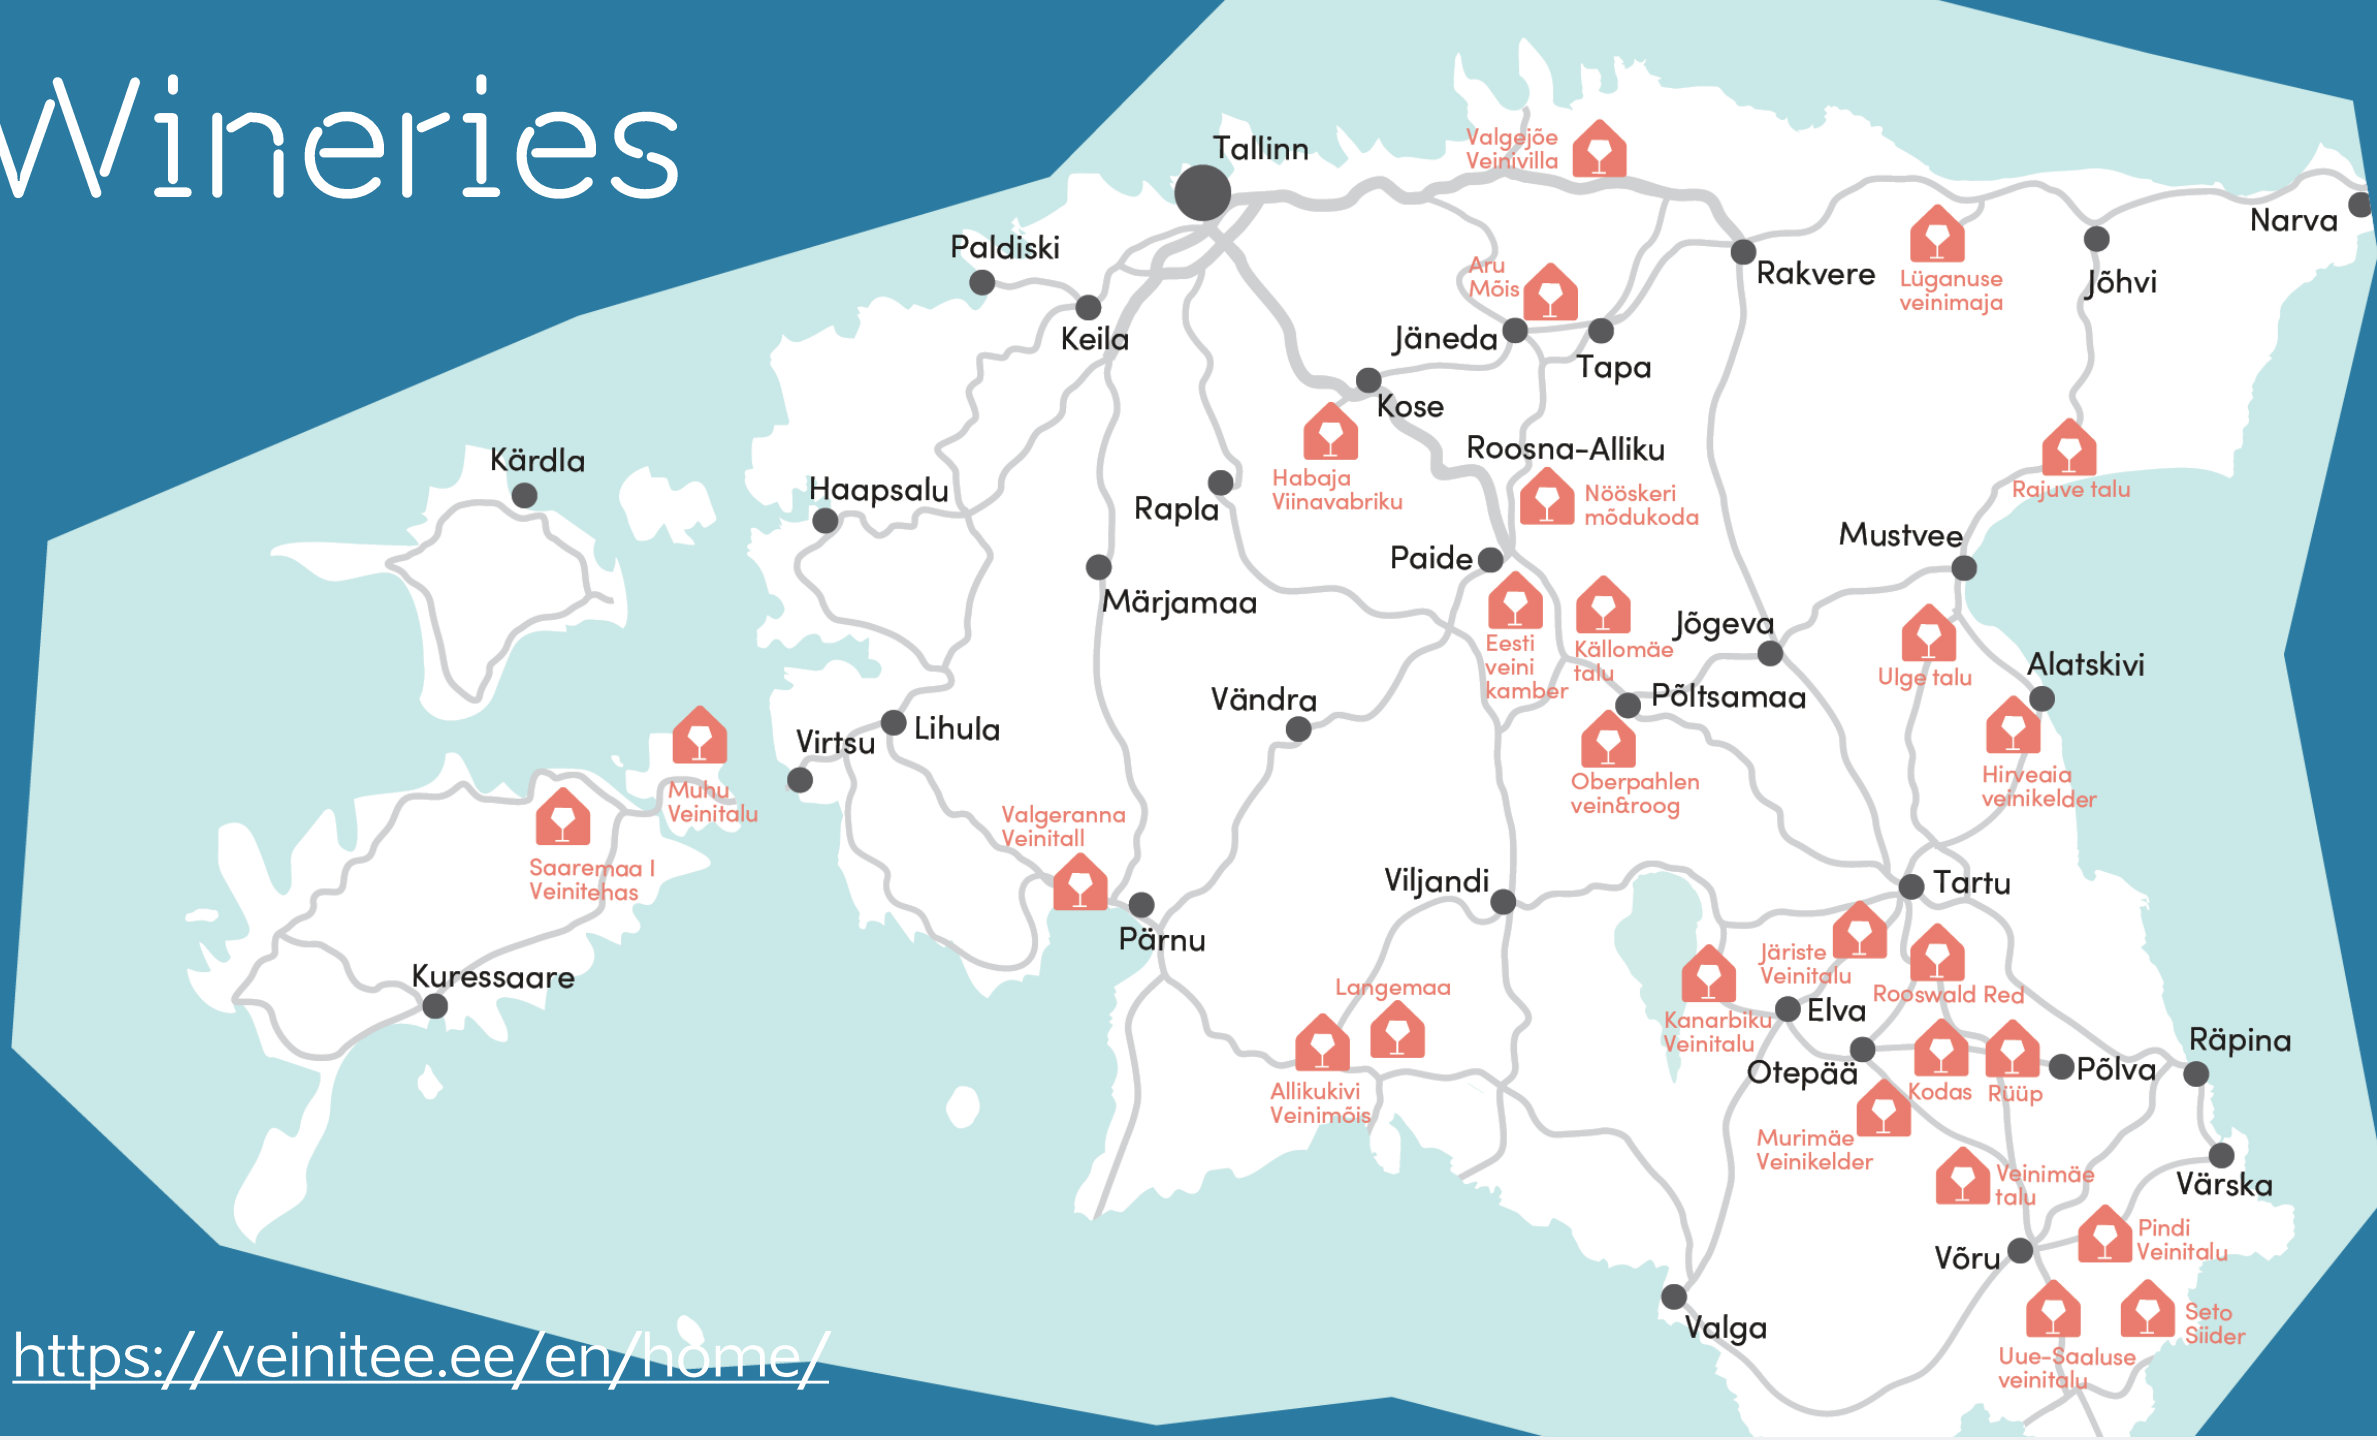

Workshops

- + marzipan painting and chocolate making
- + tastings (world class cider, berry wine, gin)
- + cooking Estonian food
- + bread baking
- + Chokolala hand made chocolate
